Chinese Team Defeats Fast Almendares Club

Travelers Meet Many Fast Teams in Cuba, Winning Five Out of Twelve Games—Lai Tin States That Cubans are Great Fans, All Games Being Well Attended—Visit to Morro Castle One of Features of Tour

The Chinese Travelers will soon be home after their recent tour of Cuba, and in a letter to the Star Bulletin, William Lai Tin tells the stories of the games in the island trip. Players had an enjoyable time visiting points of interest around Havana, and states that the Cubans are dyed in the wool fans.

By William Lai Tin.

October 3.—Met the fast Almendares club team and were defeated in a fast and well played game. Apau was in the box and pitched a fine game.

There was a large crowd at the park and at every play we made they would applaud. We scored our only run in the seventh, when on two singles and a sacrifice Yan scored. Chinese, hits . . . 1 0 0 1 0 1 2 1 0—6 Runs . . . 0 0 0 0 0 0 1 0 0—1 Almendares, hits . . . 1 1 0 3 1 0 2 1 1—10 Runs . . . 0 0 0 3 0 0 1 0 0—4 Batteries—Chinese, Apau and Mark; Almendares, Campos and Figarola.

October 4.—Our first victims were the Havana Reds and we defeated them after a well-played game, 4-3. It was our first victory and we had a fine time that evening.

Ako was in the box and pitched a dandy game. He held them scoreless and hitless until the seventh, when they found him for two hits and two runs. In the ninth they scored their third run on two more hits.

In our half of the first we scored three runs on four hits and in the second scored our fourth run. We gathered 10 hits off the delivery of Acosta, while Havana gathered four off Ako.

Chinese, hits . . . 4 2 0 1 1 0 0 1 1—10 Runs . . . 3 1 0 0 0 0 0 0 0—4 Havana, hits . . . 0 0 0 0 0 2 0 2—4 Runs . . . 0 0 0 0 0 2 0 1—3 Batteries—Chinese, Ako and Mark; Havana Reds, Acosta and Torres.

October 5.—No game, and the day was spent in sight-seeing. Visited the main streets of the city, which are alleys compared to the streets of Honolulu.

October 6.—Had another day to ourselves and spent it at the beach. It was nothing extra, being quite small. In the evening the boys went to the grounds of the Chinese club at the request of the Chinese consul. We were then invited to a dance given in our honor by the wealthy Chinese of Havana.

October 7.—Met the Almendares club for the second time and defeated them to the tune of 4-3. C. Chin did the twirling and though hit hard, managed to pull through safely. We scored all our runs in the fifth inning when we gathered five hits and scored the rubber four times.

Almendares scored their three runs in the seventh and three hits and two errors. Chinese, hits . . . 0 1 0 0 5 0 0 1 1—8 Runs . . . 0 0 0 0 4 0 0 0 0—4 Almendares, hits . . . 1 1 2 0 0 1 3 0 0—8 Runs . . . 0 0 0 0 0 3 0 0—2 Batteries—Chinese, Mark and Chin; Almendares, Lague and Rodriguez.

October 8.—Del off, and visited Morro Castle, a fortress at the entrance to the harbor. It was a very interesting sight to see the different ways in which the people were punished long ago.

We were taken into the dungeons and were shown the chute down which the prisoners were thrown into the sea.

October 9.—Clashed with the Vedado Tennis Club and this time beat them, 5-2. Bo started but was hit on the wrist by a pitched ball and was

injured by Ako.

We were out for blood and in the third inning, on three hits, we crossed the plate three times and two more were scored in the sixth on three singles.

Vedado scored their two runs in the eighth, when they found Ako for three safeties. Chinese, hits . . . 1 0 3 0 1 3 0 1 0—9 Runs . . . 0 0 3 0 0 2 0 0 0—5 Vedado, hits . . . 0 0 1 1 0 0 3 0—6 Runs . . . 0 0 0 0 0 0 2 0—2 Batteries—Chinese, Ako and Mark; Vedado, Guizquet and Figarola.

October 11.—Crossed bats with the Almendares Club again and beat them, 4-2. It was a fine game, full of

fine fielding and fast base running. Apau was on the mound and pitched a fine game, allowing only four hits and two runs, while we managed to gather four runs on eight hits.

Chinese, hits . . . 0 2 0 1 0 2 2 1 0—8 Runs . . . 0 2 0 0 0 1 1 0 0—4 Almendares, hits . . . 0 2 0 0 0 2 0 0 0—4 Runs . . . 0 1 0 0 0 1 0 0 0—2 Batteries—Apau and Mark for Chinese; Almendares, Pedrosa and Rodriguez.

Lose to Reds.

October 12.—Met the Havana Reds and were defeated in a fine game, the score being 5-3. Ako was in the box and pitched a fine game.

Chinese, hits . . . 0 0 2 0 0 1 1 2 1—7 Runs . . . 0 0 2 0 0 0 0 1 0—3 Havana, hits . . . 0 2 0 0 3 1 1 2 0—9 Runs . . . 0 2 0 0 2 0 0 1 0—5 Batteries—Chinese, Ako and Mark; Havana Reds, Acosta and Torres.

October 14.—Were defeated by the Almendares Club to the tune of 8-2. It was the best team in Cuba that we tackled and we were satisfied that we scored at least two runs.

October 16.—Met the fast University of Havana team and defeated them 1 to 0, after a very interesting game. C. Chin was in the box and pitched a fine game, allowing only three hits, and held them scoreless. We managed to score our only run in the ninth, when we found the opposing pitcher for two hits.

Chinese, hits . . . 0 0 1 0 1 0 0 1 2—5 Runs . . . 0 0 0 0 0 0 0 0 1—1 University, hits . . . 0 0 0 0 1 0 1 0 1—3 Runs . . . 0 0 0 0 0 0 0 0 0—0 Batteries—Chinese, C. Chin and Mark; University of Havana, Square and Figarola.

October 17.—Played a double-header and lost both games. The first was against the Havana Reds, Ako and Mark. The score was 5-1. The second game was against the Almendares Club, and they won, 8-2. Bo started.

October 18.—Met the Havana Reds for the last game and lost, 2-1. It was a good game and it closed the series.

The series stood five victories and seven defeats. We were satisfied with the results, as many of the big league teams have played and have even lost more games in a series like this.

October 19.—Caught the boat at 4 p. m. and left Havana for New Orleans where we arrived at 8:00 p. m.

The standing of the team this year has been very good. We've played 158 games, won 103, lost 52 and tied 3. Taking it all into consideration this is a very good record for a traveling team, a team that has to face all kinds of umpiring, grounds and people.

Let batting averages of the series in Cuba, those playing more than five games.

Chinese, hits . . . 0 1 0 0 5 0 0 1 1—8 Runs . . . 0 0 0 0 4 0 0 0 0—4 Almendares, hits . . . 1 1 2 0 0 1 3 0 0—8 Runs . . . 0 0 0 0 0 3 0 0—2 Batteries—Chinese, Mark and Chin; Almendares, Lague and Rodriguez.

COLTS TO PLAY P. B. C. TIMBER BUCKS TONIGHT

Standing of Bowling Teams.

	P.	W.	L.	Pct.
Service	6	5	1	.833
Honolulu	6	4	2	.667
Colts	3	2	1	.667
P. B. C.	6	3	3	.500
Cosmos	9	4	5	.444
Nationals	6	0	6	.000

Tonight—Colts vs. P. B. C.

The bowling match tonight will decide whether the Colts or P. B. C. will be in the first division at the end of this week's play. The former team has signed Wm. L. Creed, chief clerk of the Young Hotel, and now has six men ready to bowl. The P. B. C. team practiced Tuesday evening and every man showed good form. The lineup will be as follows:

Colts—Henry Yap, Wm. L. Creed or W. A. Ham, Floyd Emmans, W. A. Baseman and J. C. Chamberlin (captain).

P. B. C.—J. S. Azevedo, W. E. Bell or Abel Rodriguez, Francis Franks or J. E. Santos, John Gomes and O. P. Soares (captain).

Cosmos Team Wins.

Last night the Cosmos did the unexpected by taking two out of three games from the Honolulu in a well-played match. The Cosmos by making 890 in the first game and 918 in the third gave the best exhibition of the season to date. The Honolulu bowled three good 800 games but were beaten by the high totals of their opponents in two out of the three games.

Henry White proved the star of the evening. He averaged 195 and rolled 224 for high score. This is second only to Treptow of the Service, who holds the season's record at 242. Benson showed remarkable form in the opening game and turned in a 221 score. His average for the evening was 181.

George Mills, captain of the Honolulu, led his team with an average of 180. C. C. Clark was next with 175 and Jim Winne averaged 171. Clark had the best single game, just one pin short of a double century. The scores:

	1st	2nd	3rd	Total
Bernal	149	126	179	454
Benson	221	165	157	543
Berthold	171	154	183	508

HAWAII-MILLS GRIDIRON TEAMS TO PLAY FRIDAY

College of Hawaii and Mills will meet for the first time this season on the lower Punahou field at 3:30 tomorrow afternoon. This game will end the preliminary season for both the College of Hawaii and Mills. The college will in all probability win this game without much effort, judging from what Punahou, McKinley and Kamehameha did. Nevertheless, the Manoa youngsters have plenty of grit and will try their best to win.

The lineup:

College of Hawaii	Mills
Lee	L. E.
Pratt	E. Lee
Wung	L. T.
Hicks	L. G.
Sanders	Maratzuka
Fennell	R. G.
Pahau	Hayashi
Spencer	R. T.
Brash	Q.
Brown	Puuki
Austin (C.)	L. H.
	R. H.
	F. B.

Game called at 3:30 o'clock on Friday, on lower Punahou field. Admission free.

ing the Meljia would believe. The scores of the games with Waseda were 5-3, 1-0, 2-0, 5-0, 3-0, 5-3 and 9-1, against Keio 4-7, 6-1 and 3-0. Des Jardien, Page and George were responsible for the small scores, as these three pitchers pitched gilt edge ball in all the games. Two no-hit games were played during the series. Chicago had a hard time hitting the Japanese pitchers for many hits, and the games usually resulted in a pitchers' battle.

Alexi Khvostoff, new Russian minister of the interior, will remain a member of the Duma.

Mills Will Not Play in Second Football Series

Mills school will play the last game of the interscholastic schedule tomorrow afternoon. When the schedule is made up for the remaining games of the year Mills will not be included. Coach Berney stated today that the Mills eleven had been crippled this year, and on account of the difference in weight between the Manoa team and the others in the league it was thought that it would be best for the team to withdraw from the league.

Mills has had a fighting team this year, and many of the players have started, but the lightweight of the line forced the players to accomplish miracles when they made gains. It is thought that Mills will schedule games with the Honolulu School for Boys, the Honolulu Juniors and other teams of equal weight. It is to be regretted that the hananians could not keep in the league, as their plucky playing was much admired by football fans who have watched them in their recent games.

Tomorrow afternoon Mills will play College of Hawaii, and this game should again show that weight means much in competition between two fast teams. Dr. Peden has a great machine this year, and will show some good football against the Mills team. Coach Berney will attempt to hold the college team to a small score. The game will be called at 3:30. Admission free.

ALFRED YAP PROVES BIG STAR IN CLASS CONTEST AT LEHIGH

Another example of how Honolulu boys are making good in the mainland universities was learned when an issue of the "Brown and White," the Lehigh University weekly, reached Honolulu. Alfred Yap, who played first base on the All-Chinese team that toured the mainland, decided that he would enter Lehigh, and enrolled in the freshman class. In a recent game between the freshman and sophomores the Honolulu boy was the big star.

The Brown and White says: "Two much twombly and Yap nobly aided by the rest of the team explains the victory of the freshmen. Twombly in striking out 21 men and walking none, hung up a record in Lehigh annals which will be hard to duplicate. Yap, late of the Chinese University and a Honolulu boy, was the hitting star of the game, securing a home run, a triple and a single. His home run was one of the longest drives ever made on Taylor field. His base-running also featured. Four runs, three hits, and five stolen bases is not a bad day's work." Alfred Yap is a son of Wm. Yap Kwai Fong of this city.

MILLS ELEVEN PRACTISE TODAY.

Mills eleven will hold a practice scrimmage against the Honolulu Juniors this afternoon at N. H. field at 4:30 o'clock. Mills will play College of Hawaii tomorrow, and will hold the preliminary workout in preparation for the game at Punahou.

BOXING GAME TO CLOSE IN SYDNEY SAYS JOE BONDS

American Boxer States That Darcy Will Come to America Soon

"Boxing in Australia will be over on December 10. The war has caused the fight fans to neglect the game," said Joe Bonds, the American boxer who arrived in Honolulu on the Sonoma this morning on his way to the mainland. "American boxers haven't a chance against the Australians there, and the Americans are hooped in the ring. The game is dead over there now, and 'Snowy' Baker has decided to close the Stadium in Sydney on November 10."

"Darcy is a wonder," said Bonds. He is the one big card in Australia, and his defeats of McGorty and Clabby were real ones. He is the best boxer who has come out of Australia in years. Clabby will come to America with Jack Kearns within the next month, and Eddie McGorty is scheduled to leave on the Niagara. McGorty wasn't in condition, but he had a hard bout with Darcy, and the Australian looks to be the best of the middleweights in the world right now.

Poor Houses in Sydney. Red Watson and Billy Murray are both over weight, and it is expected that they will return to United States soon. To show how the boxers draw Billy Murray fought to a \$150 house in Sydney. Darcy should make a big hit in America, as he has everything that goes to make a good boxer. His defeat of Clabby was a clean cut one, and without Darcy the Australian fight game would be a mighty weak one.

Joe Bonds lost to Eddie McGorty and Hardwick, and won four fights with the leading middleweights and heavyweights of Australia. He was accompanied by "Spider" Roach, who fought the champion featherweight, Jimmy Hill, and lost the decision. Roach won three of his five fights. Bonds was in McGorty's corner when Eddie fought Darcy, and states that Darcy made things too hot for the American.

Bonds and Roach will leave this afternoon on the Sonoma for the mainland, where they have several bouts scheduled.

MINNESOTA FULLBACK BARRED FROM GAME WILL JOIN DULUTH

Solon, the great Minnesota fullback who was barred from competition on the gridiron this year on account of playing professional baseball, has decided that he will join the ranks of the professionals, and will play football next week with a Duluth eleven.

More than one million pounds sterling (\$5,000,000) weekly is being paid by the British government to the wives and children of soldiers serving with the colors.

GOLF

Analyzed and Simplified

By JOHN ALBERT SCOTT

No. 5—The Stance, Continued.

To show how the position of the feet, as illustrated in the previous two articles, starts the "body twist" in the golf stroke, I will explain a curious fact, one which does not seem to have occurred to any one else, at least as far as I have ever heard.

While the ball does not appear to be in front of the center of the body and midway between the feet, and is not, so far as the line of play is concerned, it is in fact almost in front of the center of the body and midway between the feet.

To understand what I am about to explain—and it is quite important to realize the reason for a thing in order to practice it with faith and confidence—place a ball and the lines as shown in the stance photographs. Without moving the feet in the slightest degree, stand up straight, and, wholly disregarding the line of play, face as you would ordinarily, with the feet in this position. You will discover two very curious facts: first, your feet are in a perfectly natural position, both toes turned out as you would ordinarily stand and you are facing to the left of the position you assumed in addressing the ball.

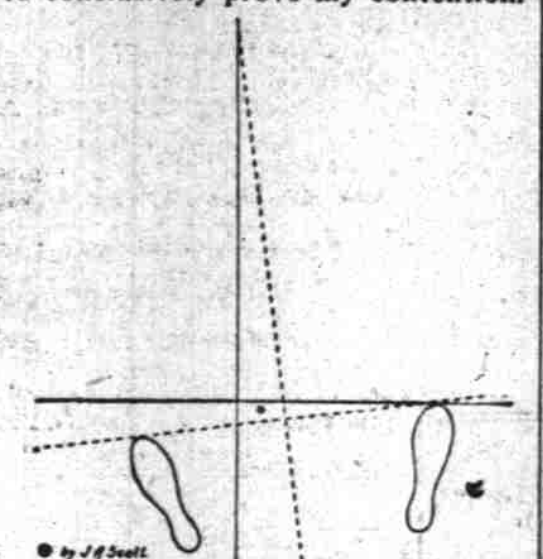

Second, the ball is now opposite the center of the body and midway between the feet.

To more fully show this, and I consider it of the very utmost importance, I have prepared and submitted the diagram shown. This diagram was most carefully prepared, by taking the stance used by Vardon and Braid, and a driver with a forty-two and a half-inch shaft. The left toe was three inches back of the line showing the direction of the play, the right toe touched it.

The left heel was three inches to the left of the line from the ball and the right fourteen inches to the right of this line. The feet were placed at the angles which have been explained.

The ball was thirty-one inches in front of the line across the feet.

Without moving the feet in the slightest, the lines were shifted, as indicated by the dotted lines in the diagram, the line from the ball again crossing the other at an exact right angle, passed almost exactly under the center of the body and midway between the feet. This would seem to conclusively prove my contention.

While this diagram is submitted as a matter of interest and importance, I do not for a moment wish to be understood as even suggesting any measurements in taking a stance to drive a golf ball, or in making any mathematical calculations in regard to it.

It is shown for the purpose of proving that the great golfers, consciously or unconsciously, are mathematically correct in their stance, and thus get the greatest "leverage" into their strokes. They have, most probably, found this stance by a process of elimination, experimenting until a position of greatest power was found. But it is interesting to know why it is so.

CHICAGO WINS TEN STRAIGHT GAMES IN JAPANESE CAMPAIGN

Chicago University has demonstrated that it is superior to all of the Japanese teams in its recent series, as in 10 games played to date it has won them all. Waseda was defeated in seven straight games, while
